1. Thank you for your invitation to chair the next meeting of the Interagency Intelligence Committee on Terrorism. I will be glad to help. If D/ICS involvement and endorsement have the desired effect, you may want to consider a permanent arrangement whereby my Deputy, Miss Eloise Page, or I chair the meeting regularly.

2. We will rely on [redacted] for staff support and probably need to schedule some background briefings with him. Please have him contact Miss Page to work out the details. She can be reached on [redacted]
